

## Guest List App Available Now!

The dwellingLIVE Guest List app for residents is now available for both iOS and Android. Easily manage your guest list and account information on your mobile device.

### Features Include:

- View guest list
- Add, edit, and delete guests
- View guest history
- Edit user profile (name, email, password, phone numbers, etc.)
- Manage email & text message notification settings

### To download:

Search for 'dwellingLIVE' in the app store from your phone. You will need to know your login email & password to sign in.
